

Eastern Partnership

Networking Forum for Cooperation in Legal Education

2019

with the financial support of:

Federal Foreign Office

Joint Declaration

All partners signing this joint declaration have participated in the “Eastern Partnership: Networking Forum for Cooperation in Legal Education” in Tbilisi in November 2019. The personal contact and the discussions during the conference were very inspiring for all partners. As a result of the conference, the partners agree on the following points:

1. **A positive experience:** All partners consider the Networking Forum as a success and a positive experience for the future collaboration.
2. **Strengthening cross border cooperation:** The Networking Forum helped to get to know other law faculties in the region and the persons working there. These contacts are important for the future of this cross border cooperation which can be a booster for the region.
3. **Ensuring the future of the network:** All partners agree that the Networking Conference in Tbilisi in November 2019 is the starting point of a long-term cooperation. The network established should continue and the partners are planning future projects in the field of legal education & research as well as their role in strengthening civil societies.
4. **Online Networking Forum:** All partners agree that the next step to continue the network will be to implement an online platform to ensure further exchange among partners, knowledge transfer and information sharing.
